Using European Acetate Material to provide the rich texture and comfort, combined with Polarized Lenses to ensure the maximum protection for your eyes, HEAT® Sunwear is a perfect combination of fashion and performance for both indoor and outdoor activities.

In order to stay current with the ever changing trends, Optimate Inc. will release a new sunwear collection each year. Each release will be on a 'while supplies last' basis.

Elaborada con materia prima de importación italiana de la más alta calidad y lentes polarizadas que garantizan máxima protección, la Colección HEAT ® ofrece la combinación perfecta de estilo y funcionalidad.

Para mantenerse a la cabeza de las tendencias de la moda, Optimate Inc. renovará esta colección cada año. Todos los modelos estarán disponibles por tiempo limitado, hasta agotar existencias.
